4:45 Closing Remarks

5:00 Adjournment

June 12, 2015 8:30 AM to 5:00 PM

DoubleTree by Hilton Portland 1000 NE Multnomah St, Portland, OR

Keynote Speaker:

Brain Immune Interactions: The Science of the Mind-Body Connection

Esther M. Sternberg, MD

Professor, Research Director, Arizona Center for Integrative Medicine, University of Arizona Dr. Sternberg will examine the latest research in the relationship of the mind and body. She will demonstrate how understanding these concepts allows healthcare providers to judge how and when to judiciously apply complementary and alternative treatments in conjunction with classical therapeutic approaches to maintain health.

What is OCIM/SPARC 2015?

This conference highlights current integrative medicine and health research, education and clinical models of care and promotes interprofessional scientific collaboration. It represents a partnership between the integrative medicine educational and health care community across the state of Oregon.

Who should attend?

Medical, naturopathic, osteopathic and chiropractic doctors, acupuncturists, nurses, allied health professionals, researchers, administrators, students, policymakers & the public are invited to attend.
